## Engel & Voelkers opens new office in Sunny Isles Beach

The new location in Sunny Isles

Engel & Voelkers has moved its Sunny Isles Beach location to a new office at 18170 Collins Avenue. The new, technologically-focused office is a 2,000-square-foot space that features a series of digital monitors with the firm's listings. The move is part of a wave of growth by the firm in South Florida, which announced the addition of three locations in the Miami area over the summer, with branches in Pinecrest, Coral Gables and Coconut Grove. Engel & Voelkers has 610 offices in 37 countries. -- *Alexander Britell*
