Pharma Exec Puts up Miami 5BD for \$5.9M

Miles E. Gilman has listed for sale a five-bedroom, 4.2-bath home at 3769 Stewart Ave. in Miami for \$5.99 million.

The property was previously acquired for \$2.15 million in Jan. 2003. The 7,821-square-foot house, which was built in 1925, is in South/West Coconut Grove. Lourdes Alatrisme of Engel & Voelkers/Miami Brickell is the listing agent.

Gilman is the owner and managing director of A2 Bioscience Pte Ltd. A2 Bioscience is a pharmaceutical company that employs therapeutic, interventional, and preventive solutions for various conditions through medical products, cosmetic products with medicinal properties, and specialized medical devices. Aside from that, he is also the director of Miami Children's Hospital, Inc. In addition, he is affiliated with Singapore Management University as a mentor in residence.

According to BlockShopper.com, there have been 3,817 home sales in Miami during the past 12 months, with a median sales price of \$143,000.
